Dear [REDACTED],

Many thanks for the clarification.

All our Authority Members have responsibility for the whole of the England, Scotland and Wales and do not represent geographic areas of the Force's jurisdiction; nor does where they currently live have any influence over their areas of responsibility as Authority Members.

That said, our Members currently live in the following local authority areas;

- Bath & North East Somerset Council
- Buckinghamshire County Council
- Cambridgeshire County Council
- East Lothian District Council
- Gloucestershire County Council
- Kirklees Borough Council
- London Borough of Greenwich
- London Borough of Merton
- London Borough of Wandsworth
- Northamptonshire County Council
- North Yorkshire County Council
- Northumberland County Council
- Surrey County Council

Please let me know if you require any further information.

Regards,

Sam
