Subject: FW: REQUEST FOR INFORMATION RE: PUBLIC CORRESPONDENCE RECEIVED BY POLICE AUTHORITY

Dear [REDACTED]

Thank you for your email of 14 October in which you made a request for information under the Freedom of Information Act 2000. Specifically you requested the following information from the British Transport Police Authority;

The total number of (a) letters and (b) emails sent by members of the public to the Police Authority in the last 3 years (2007-08, 2008-09, 2009-10)

I can confirm that following a review of the Authority's mail log the total number of letters received from the public is included in the table below:

Year	2007/8	2008/9	2009/10
Number of letters received from the Public	7	7	11

In relation to the total number of emails from the public in the last three years, this information is not held by BTPA as it is not logged on our systems and therefore it cannot be provided.

Yours sincerely

LB

REQUEST FOR INFORMATION RE: PUBLIC CORRESPONDENCE RECEIVED BY POLICE AUTHORITY

Dear Sir/Madam,

I am writing to request information under the Freedom of Information Act 2000. In order to assist you with this request, I am outlining my query as specifically as possible.

I would like information on the volume of correspondence from members of the public received by the Police Authority. Specifically, I would like to receive information on:

(i) The total number of (a) letters and (b) emails sent by members of the public to the Police Authority in the last 3 years (2007-08, 2008-09, 2009-10)

If you need further clarification, please contact me by email. My preferred format to receive the information is electronically (in .xls or .doc/docx format, rather than .pdf), but I can also accept hard copies.

I would be grateful if you could confirm by email that you have received this request. I look forward to your response within 20 working days, as required by the legislation.

Kind regards,

--
