Corridor connection leads to brief encounter

This from Gwynneth Dunchairing...

Who should the Secretary of State's team meet in the corridor outside the TSC this evening, but the SoS for International Development!

Justine Greening (for it was she) asked how it had gone?

An evidently busy McLoughlin appeared unable to chat, leaving a couple of nervous officials to explain the TSC's exhaustive interest in InterCity West Coast and franchising policy.

"Oh. Well I hope it went OK" she said, flushed bright red and ran off frowning intently at her BlackBerry.

No doubt a text from the PM? Ah, the benefits of promotion.
