3. Critical success factors

- 3.1 All those attending the series of meetings need to come prepared with the same information so that they are able to enter into a meaningful dialogue, and to ask pertinent questions. To this end, both the Authority and the Force will provide written material in advance of each session to support with this process.
- 3.2 To be open to engagement with, and feedback from, stakeholders during the Force and Authority's consultation exercises and other activities.
- 3.3 To be a success, the meeting must be a two way dialogue so that there is constructive feedback, however this does not mean the session cannot be challenging.

4. Proposed next steps

- 4.1 In contrast to previous years, it is proposed that the Local Area Plans, informed by local stakeholder consultation, be developed prior to the National Level Plan.
- 4.2 This revised approach would require a two-week consultation on the National Policing Plan to take place following the first meeting of the Group and a further two-week consultation to take place following the third meeting. In order to allow sufficient time for this second round of consultation, the third meeting of the Group has been brought forward to Monday 3rd February 2014.
- 4.3 It is recommended that the Authority commissions, contributes to and receives draft reports and information in support of the following.

03.10.2013	Meeting 1 – Shape of Plan: to discuss and agree the way forward for the forthcoming Policing Plan. Plan to be informed by representations made at the Authority's stakeholder workshop on 26 th September 2013.

January 2014	Update on progress to be reported to the ATOC Policing Forum, and the RDG Policing and Security Sub-group meetings and their observations to be taken into account.

03.02.2014	Meeting 3 – Policing Plans to be scrutinised. Approval of Plans by Policing Plan Working Group prior to final health-check consultation and submission to full Authority for approval and sign-off.
10.02.2014	Two-week final written health-check consultation with stakeholders on the Policing Plan. Circulation of Plan out of Committee for Policing Plan Group to agree any proposed amendments arising from health-check consultation.
