21	9.1	15.05.2015	HMIC Inspections: Update on improvement plans - Crime Data Integrity and Stop and Search	BTP to confirm that there has been a risk assessment around the historic use of out of court disposals and update the PRC on the outcomes of this risk assessment	DCC	24.07.2015	The DCC will provide Members with an update on this action at the meeting.
24	36.2	15.05.2015	BTP EDHR Update	BTP to consider a suite of indicators to measure the fair treatment of victims and offenders.	DCC	24.07.2015	BTP does not currently have the facility to record an individual's "fair treatment" in any meaningful way for either victims of crime or offenders; particularly in a way that can be cross-checked against their protected characteristics. The Force does however collate various individual elements of individuals' personal characteristics on the CRIME system such as race, ethnicity, gender, impairment and vulnerability.
