*We will work with our partners to tackle the following for the railway and Merseyrail underground network:*

## Create a hostile environment for terrorism through the CONTEST strategy

- Maintain specialist operational capabilities that provide mitigation to the plausible attack methodologies identified. Develop capabilities where they do not already exist.
- Develop the awareness and understanding of the terrorist threat amongst BTP officers and staff, including the role they play in mitigating against it.
- Increase rail industry awareness of the terrorist threat and how they are able to mitigate against it
- Maintain command capability that enables effective command and control of the BTP response to a terrorist attack
- Undertake an exercise programme which thoroughly tests response plan, commanders and responders against the highest risk and most plausible threats within the CT Strategic Threat and Risk Assessment
- Develop and train guidance documentation and prepare plans for the highest risks and most plausible threats within the CT Strategic Threat and Risk Assessment

## Ensure passengers and staff can work and travel free from the threat of violence

### VIOLENCE AND AGGRESSION AGAINST PASSENGERS
