We will work with our partners to tackle the following for the railway and TfL (London Underground, London Overground, TfL Rail, Docklands Light Railway, Trams and Emirates Air Line):

Create a hostile environment for terrorism through the CONTEST strategy

- Maintain specialist operational capabilities that provide mitigation to the plausible attack methodologies identified. Develop capabilities where they do not already exist.
- Develop the awareness and understanding of the terrorist threat amongst BTP officers and staff, including the role they play in mitigating against it.
- Increase rail industry awareness of the terrorist threat and how they are able to mitigate against it
- Maintain command capability that enables effective command and control of the BTP response to a terrorist attack
- Undertake an exercise programme which thoroughly tests response plan, commanders and responders against the highest risk and most plausible threats within the CT Strategic Threat and Risk Assessment
- Develop and train guidance documentation and prepare plans for the highest risks and most plausible threats within the CT Strategic Threat and Risk Assessment

Ensure passengers and staff can work and travel free from the threat of violence
